

Nigerian Elections, 2023:

Gubernatorial Elections: 20th March

March 20, 2023

March 18-20, 2023: The elections to Local Governmental institutions, Governors and Assemblies were not as peaceful as the Presidential elections of February 25-26, 2023. There were many instances of attacks on polling booths and in some cases, the INEC officers were also killed.
