President Biden came to Ottawa on his first official visit to Canada after taking over the Presidency two years back. Besides other working meetings with the Prime Minister of Canada and other officials, President Biden is to address the Parliament on Friday, 24th March 2023.

Prime Minister Justin Trudeau and his wife Sophie Gregoire Trudeau GREETS

US President Joe Biden and first lady Jill Biden

The President said that USA was fortunate to have Canada as a neighbor.

Likely topics for discussion between the President and the Prime Minister:

- Ukraine war,
- Situation in Haiti,
- Rising Global Threats,
- The state of Canadian military and NORAD modernization,
- Clean Energy,
- Influx of refugees at Quebec's Roxham Road crossing,
- Trade, economy and inflation,
- further action on critical minerals, so that dependence on China and other non-friendly sources can be eliminated.
