

Modi Magic: Can India's PM help stop the Gaza war , bring PEACE?

February 19, 2024

Can Prime Minister **Narendra Modi** pull the world **away from the brink of a conflagration**, which can lead to wide-spread **loss of innocent lives** and further **destruction, at un-precedented levels**, in Yemen, Syria, Gaza-West Bank-Lebanon, Iraq and can involve Iran, Israel, Turkey and many other great powers of the world?

*India's Prime Minister **Narendra Modi**, in a Hindu Temple, for personal prayers*

The recent hostilities were initiated by a **heinous terrorist attack** by more than 1,000 well-trained Hamas terrorists, from Gaza, on sleepy rural hamlets (*called kibbutz*) early in the morning of October 7, 2023. In response, **Israel Defence Force (IDF)** attacked Gaza and pledged to arrest and punish every Hamas terrorist in Gaza.

Yahya Sinwar, who planned and who led the execution of the October 7 **inhuman killings** of children, handicapped old persons and other civilians, has said that he had not anticipated **IDF's fierce response**, which has led to large-scale **collateral loss of civilian lives**. Till a few days back, **Yahya Sinwar** was **leading the attacks by Hamas on IDF in Khan Unis** from a wide-spread tunnel network. The tunnels had been built under hospitals, schools, mosques and UNRWA offices, which might not be attacked by IDF.

February 18, 2024 media Reports say that **Yahya** has left Gaza, along with his family for some safer hide-out and that Hamas is looking for someone to succeed **Yahya Sinwar**.

ROLE of QATAR: **Hamis and Muslim Brotherhood Leaders** find shelter in Qatar. Hamas and many other radical Muslim organizations, busy in **Jihad in many African and Asian countries** are **financed by the Ruler of Qatar**. He also provides support, by way of **propaganda and by building narratives, justifying Jihad, through Al Jazeera** and a wide-range of digital channels and conventional publications.

MODI MAGIC: Qatar had sentenced eight Indian Navy veterans to death sentence. Modi magic worked to bring the eight persons safely back to Delhi.

www.DiGiNews360.com hopes and prays that Modi Magic may lead to a **ceasefire in Gaza and the region** and that it may **bring permanent peace** to the region, which is being destroyed by **ancient hatreds between followers of Islam and Judaism**.

HOW does the MODI MAGIC work? www.DiGiNews360.com thinks that Modi is able to succeed magically because of his way of thinking, called by many as being **spiritual or esoteric**. www.DiGiNews360.com prefers to call it the **humane way**. Please consider the **unusual philanthropic work by India**, under Modi's leadership:

- India has developed close relations with both UAE and Saudi Arabia. However, when Qatar fell out with UAE and Saudi Arabia, Prime Minister **Modi** immediately agreed to supply **all food items directly to Qatar**.
The Readers may recollect that **at a personal level** in **April 2019**, Prime Minister **Modi** was awarded the **highest civilian honor of the UAE**, the **Order of Zayed**, named after the first President of the UAE, **Zayed bin Sultan Al Nahyan**.
In April 2016, PM **Modi** was conferred with the **Order of Abdulaziz al Saud** award, the highest civilian honor of Saudi Arabia.

- PM Modi's India extends **Humanitarian Aid** in the wake of the **Devastating Earthquake of February 6, 2023** in **SE Turkey**: with its epicenter the town of **Pazarcık**, Kahramanmaraş, affecting millions of lives across ten cities: PM **Narendra Modi's** India stepped forward to lend a helping hand before the morning of **February 7, 2023**:

Indian Army's doctors, nurses, and paramedics established an **Emergency Surgery Hospital** in tents and set up makeshift clinics, treating the injured, administering vaccinations, and ensuring that basic medical needs were met. **Mobile Medical Units** offered care to those who had lost their homes and loved ones. **Three C-130 cargo planes** brought the **medical supplies, donated by India**.

Search and Rescue Operations: India's **National Disaster Response Force (NDRF)** deployed specialized teams equipped with cutting-edge technology. These brave souls combed through the debris, pulling survivors from the rubble and reuniting families torn apart by the quake.

This was in spite of President Erdogan having set-up an **anti-Indian front of Pakistan, Malaysia and Turkey** in 76-year old efforts by Pakistan to **not** return the part of **Jammu & Kashmir (J&K)**, taken during **August-October 1947** from the Maharaja of J&K before the Maharaja decided on October 26th 1947 to merge his State in India, according to the Act of the British Parliament, which granted independence to India and created the new country of Pakistan.

- During Covid 19, when Chinese and west's companies were making huge profits by supply of vaccines, **PM Modi shared India's vaccines with more than 100 small countries, even though India is a poor country.**
- Due to Ukraine war, when there was a shortage of wheat, **PM Modi** agreed to supply it to many countries, *even though India is not an exporter of wheat.*

Narendra Modi does not discuss, in the public domain, his personal religious practices, though he regularly performs Yoga and probably prayers, according to his belief. But the Readers of www.DiGiNews360.com might have learnt about the progressive change in the **personality of Narendra Modi towards becoming a more human, more spiritual ruler, with no selfish motives** for continuing to rule over India, as its elected Prime Minister.

---A BACKGROUNDER on SPIRITUALIZATION of NARENDRA MODI----

In the following two pages, www.DiGiNews360.com wants to draw attention of its Readers to facts, which are in public domain.

1. **1969: Narendra Modi** had left home when he was 18-19 years old. He spent a few years **visiting spiritual leaders in the Himalayas**. He tried to join the Ram Krishna Mission as a monk. But the Mission wanted him to go for higher education at a University and to join as a monk after graduation.
2. From **September 27 to September 30, 2014:** When **PM Modi** was on a visit to Washington DC, our Readers might have come to know that he had been keeping fasts for 9 days, twice in a year, on "*Navratri days*" for many decades.
3. COVID 19:
 - i. When the world was battling Covid 19 and when the scientists in USA, Russia, China and India were working hard to develop vaccines, India proposed at WTO that for this vaccine no patent be granted so that all

- pharmaceutical companies could manufacture the vaccines and these could be made available at a cheap rate, the proposal was not accepted.
- ii. When the vaccines had been developed and the companies of USA and China were making huge profits, PM **Modi** organized the **world's biggest program to have every one of the 1,400 Mn Indians vaccinated free of cost**, to provide free food-grains to the 800 Mn poorer Indians, so that **no Indian would remain hungry**, he also **shared the vaccines with about 100 poorer countries of the world**, even though India is a poor country.
 - iii. When due to Ukraine war, the price of wheat doubled between February 2022 and February 2023, PM **Modi** gave a **grant of 50,000 tonnes of wheat to Afghanistan**, even though the Taliban rulers had killed or driven out every single Hindu and Sikh. India also **supplied wheat to some Middle Eastern countries, at their request, even though India is not an exporter of wheat**.
4. **January 22, 2024**: When **Narendra Modi** was invited as the “*Yajman*” at the “*Pran Pratishtha*” of the temple at Lord Ram’s birthplace*, the Chief Priest prescribed for him an 11-day regime of prayers for self-purification. The regime was kept as bare minimum, keeping in mind that, as **the Prime Minister of India**, he could not give up his onerous duties. But PM **Modi** insisted on going through the tough regime, in entirety. He performed his duties as the PM during the day, and in the evenings, he visited the ancient temples, associated with Lord Ram, while meticulously completing fasts, prayers and other requirements of the regime for a “*Yajman*”, prescribed in the ancient religious texts.
- *The **highly revered temple**, to which **Hindu and Sikh pilgrims** used to come from all over India, had been **destroyed by Muslim invaders in 1528 A.D.** For about 300 years, it remained an **active battle zone**, between Muslims on the one hand and Hindus and Sikhs on the other. When the British established themselves in the region in about 1830s, the battle for acquiring the place for a temple at the birth-place of Lord Ram and for not giving up the area of the mosque (*even though there were not many Muslims in the region for visiting the mosque for Namaz regularly*) continued **through the Courts**.
5. **February 14, 2024**: **Pramukh Swamy**, the spiritual Leader of the ***Bochasanwasi Shri Akshar Purushottam Swaminarayan Sanstha*** (means “*a Hindu Order called BAPS*”) treated Narendra Modi with affection, as if Narendra were his own son. In 2015, during his 1st visit to UAE, PM Modi informed the President of UAE that there were 3.5 Mn Indians, working as immigrants at UAE. He asked the President to give land to the Indian immigrants for building a temple. The President immediately agreed to allocate any appropriate piece of land, on a permanent lease. **Mahant Swamiji**, the spiritual Leader of BAPS, since 2016 after Pramukh Swamy,

invited PM Modi to participate in the ceremony for opening the **magnificent temple** to the public.

6. **February 19, 2024:** Kalki Dham Temple: Prime Minister **Narendra Modi** was **invited by Acharya Pramod Krishnam** to lay the foundation stone for a new temple for a Trust, headed by the **Acharya**.

----A BACKGROUNDER on DASHAVTARs (*10 incarnations*) ----

Acharya **Pramod Krishnam** is a learned scholar of Hindu scriptures. The ancient scriptures say that the 10th (*and the last incarnation after Lord Krishna*) incarnation of Lord Vishnu would take birth during the festival of Baisakhi (the 12th day following the full-moon day.) Lord Kalki would be born in a village, named Shambhala (in today's State of Uttara Pradesh). The Acharya's mother encouraged the Acharya to build a magnificent temple of Lord Kalki. The **Acharya** prayed and studied for nine years and confirmed the following List:

1. Lord Matsya (fish)	2. Lord Kurma (turtle, tortoise)
3. Lord Varaha (boar)	4. Lord Narasimha (man-lion)
5. Lord Vamana (dwarf god)	6. Lord Parshurama (Brahman-warrior)
7. Lord Rama	8. Lord Krishna
9. Lord Budha	10. Lord Kalki (Prophecy, will mark the end of Kali Yug)

Note: The above List is given in The Agni, Padma, Garuda, Linga, Narada, Skanda and Varaha Puranas. The same List is given by Garuda Purana **Saroddhara**, (*a commentary or 'extracted essence'* of the Garuda Purana). However, the Garuda Purana itself has two different lists.
